EDUCATION **School of Journalism and Mass Communication, University of Wisconsin–Madison**
Ph.D. in Communication (2016-2020) GPA: 4.0/4.0
Minor: Educational Psychology (quantitative methods)
Dissertation: A network approach to understanding public attention, public opinion and communication flows in the digital media system (Thomas E. Patterson Best Dissertation Award)
Chairs: Dhavan Shah & Chris Wells
Committee members: Lewis Friedland, Karl Rohe & Zhongdang Pan

School of Journalism and Mass Communication, University of Wisconsin–Madison
M.A. in Mass Communication (2013-2016) GPA: 4.0/4.0

School of Journalism and Communication, Renmin University of China
M.A. in Journalism (2012-2014) GPA: 3.92/4.0

School of Foreign Languages and Literatures, Beijing Normal University
B.A. in English Language and Literature (2007-2011) Highest Honors

PROFESSIONAL APPOINTMENTS **Assistant Professor, Department of Communication, University at Buffalo**
2020/09-present

Honorary Fellow, School of Journalism and Mass Communication, University of Wisconsin–Madison
2021/01-present

Lecturer, School of Journalism and Mass Communication, University of Wisconsin–Madison
2020/01-2020/05

Graduate Research Assistant, Department of Statistics, University of Wisconsin–Madison
2018/06-2019/01

Graduate Teaching Assistant, School of Journalism and Mass Communication, University of Wisconsin–Madison
2013/09-2018/05

Graduate Teaching Assistant, School of Journalism and Communication, Renmin University of China
2013/02-2013/06

Program Assistant, Office of China Affairs, University of Maryland, College Park
2011/06-2012/08

GRANTS

Collaborative Research: SAI-R: Integrative Cyberinfrastructure for Enhancing and Accelerating Online Abuse Research (2228616 and 2228617) (2022)
National Science Foundation
 Co-PI \$750,000

SICSS Project: Examining multi-platform communication flows (2018)
Northwestern University
 Team Lead \$2,000

Proposal: Exploring the Development and Effects of Parasocial Relationships with “Benign” and Explicit Social Media Influencers for Right-Wing Extremist Orgs (2024)
Minerva Research Initiative - Department of Defense
 Co-PI (not funded)

Proposal: Assessing the prevalence and manifestation of social identity threat in human vs. AI-generated hate and their differential impacts (2023)
Russell Sage Foundation
 PI (not funded)

Proposal: Education DCL: EAGER: SecGAI: Learning Platform and Curriculum Development for Socially Secure Generative AI (2023)
National Science Foundation
Co-PI (not funded)

Proposal: Collaborative Research: Elements: Integrative Cyberinfrastructure for Enhancing and Accelerating Online Abuse Research (2021)
National Science Foundation
Co-PI (not funded)

Proposal: Countering New Waves of Online Hate in a Divisive and Rapidly Transitioning World (2021)
National Science Foundation
PI (not funded)

Proposal: (PIER) Hub for Reducing Drownings in the Great Lakes Region (2020)
National Science Foundation
Co-PI (not funded)

AWARDS

Thomas E. Patterson Best Dissertation Award. American Political Science Association. (2021/07)

Louise Elizabeth George Scholarship. University of Wisconsin–Madison. (2019/01 - 2019/12)

Top paper in Political Communication Interest Group paper competition. The Association for Education in Journalism and Mass Communication. (2018/08)

Third place in the inaugural AEJMC Research Prize for Professional Relevance competition. The Association for Education in Journalism and Mass Communication. (2018/08)

Excellence in Teaching Award. University of Wisconsin–Madison. (2017/03)

Top Research Paper at Communication Crossroads. University of Wisconsin–Madison. (2016/03)

INVITED TALKS

The Mutual Shaping Between Communication Technologies and Users: A Computational Approach. Department of Communication and Journalism at Texas A&M. January 29, 2024.

Users, Spaces, Platforms, and Systems: A Multi-Level Framework for Social Media Research. Speaker for Brown Bag Series. Department of Communication at the University at Buffalo. December 8, 2023.

Hyperlinks and content: Two computational approaches to tracing information flows in the hybrid-media cross-platform information ecology. Speaker for Summer Institute in Computational Social Science-North Dakota State University (SICSS-NDSU). June 22, 2023.

Misinformation and extremism. Panelist at the Center for Information Integrity Conference, University at Buffalo. April 21, 2023.

Social media and mass shootings. Panelist at Buffalo Rising: Remembering the Past to Build a Stronger Community. Franklin H. Williams Judicial Commission, NYS Unified Court System. October 22, 2022.

New and emerging data tools. Panelist at the 2022 Digital Data Conference (D2C). The Social Science Research Council. April 14, 2022.

Rooted in community and toward a personalized SJMC experience. Keynote speaker at the 2021 Communication Crossroads Conference. University of Wisconsin–Madison. March 12, 2021.

A network approach to mapping out communication actors and tracing communication flows and influence. Speaker for Cutting-edge Communication Research at the Amsterdam School of Communication Research. University of Amsterdam. January 28, 2021.

Whose lives matter? Mass shootings and social media discourses of sympathy and policy, 2012-2014. Presented to School of Journalism and Mass Communication Board of Visitors. University of Wisconsin–Madison. April 12, 2019.
